RE: Consolidated Superfund grant # V-96688701 for the Wilcox Superfund Site Management Assistance, Fiscal year of 2014 for the 2nd Quarter (January, February, and March).

Dear Ms. Gibson:

The following is a list of Department of Environmental Quality activities during the 2nd Quarter of FY 2014:

Progress

- Continuation of outreach to property owners to inform them about site progress, answer questions and address concerns.
- Provided a fact sheet to site property owners and Bristow citizens.
- DEQ hosted an open house on January 30, 2014.
- Provided a flyer invitation to the open house.
- Reviewed EPA's draft Community Involvement Plan for the site.
- Performed community interviews of local citizens and local officials.
- Meet with EPA Removal on-site and coordinated efforts pertaining to potential removal responses on the site.

Problems or Delays

- None

Projected Activities for the Next Quarter

- Continue to communicate with property owners and keep them informed on site progress.
- Coordinate with EPA Removal for fencing and other interim actions to be taken.
- Provide comments on draft Community Involvement Plan.

If you have any questions regarding this report, please call me at (405) 702-5136.

Sincerely,

A handwritten signature in black ink that reads "W. Todd Downham".

Todd Downham
